TO YOU.

ABOUT US

We Choose to Care is a growing health and social care staffing agency in the country. We take pride in providing a first-rate tailored service to both our clients and candidates.

Do business with people who are both friendly and brilliant

Our company was established with the intention of bringing tried-and-true executive search methodologies to the health and social care sectors. We are market experts with unrivalled access to the industry's best talent and opportunities.

We specialise in permanent placements for healthcare professionals at all levels of seniority. Nursing/Residential Care Home Groups, Private Hospitals, and Mental Health Organizations are among our most important clients.

We are able to conduct extensive search campaigns due to our extremely proactive approach and our consultants' access to a vast repository of resources. As a result, the best candidate for the job is found every time.

OUR CLIENTS

We Choose to Care understand the significance of hiring the right person the first time. Hiring excellent employees is not only necessary for a healthy business but also desirable.

We provide a variety of services tailored to our clients' needs, but the majority of our work is done on a retained executive search basis. This is our specialty, and it is also by far the most successful, professional, and efficient way to find top candidates.

We try to handle every aspect of the search for you, providing you with a personal, professional, and private service while staying within your budget and deadlines.

We take pride in providing unrivalled customer service and only focus on outcomes.

OUR CANDIDATES

Choosing the next step in your career can be difficult and time-consuming, which is why We Choose to Care works hard to make the process of finding and securing your new dream job as quick and easy for our candidates as possible.

When you send your CV to We Choose to Care, you can be confident that the consultant you speak with is a specialist who will be able to place you in positions that are a good fit for your needs.
